Description of work to be performed: _____

Note: it is the responsibility of the property owner/project manager to ensure that all contractors employed to do work have applied and received all necessary permits. It is also the responsibility of same to insure that all inspections required are completed. If work has not begun within one year of issuance, permit it becomes null and void.

Plumbers must have a valid license from the State of New Hampshire to obtain a permit. Permits are not transferable.

The property owner of record may exercise their right to perform their own plumbing work on their residence if it is a single family dwelling and owner occupied

This signed application constitutes consent on the applicant's part to allow for all inspections at the property location listed.

No permit will be issued until all of the above information is furnished, and all the above conditions met.

INSPECTIONS REQUIRED: (48 hours' notice required)

1. When under slab piping has been installed.
2. When rough-in is complete and visible (rough).
3. When job is complete, but before occupancy (final).

The Building Department approval would certify that the applicant could proceed with installation of plumbing fixtures in accordance with specifications submitted. Any deviation from the specifications submitted will require an amendment to this permit or additional permits. If you have any questions, feel free to contact the Building Department at 603-447-3811 Ext. 223.

Statement of Compliance: I have read and understand the statement and hereby agree to all of the terms stated therein. I agree to abide by any and all codes relating to my field of work, including all national, state and local codes. I also realize that any false statement made in the application for permit may be grounds for revocation of said permit.
